From Your Pastor's Heart

On April 7, we will begin a six-week study during the evening worship hour entitled **Flickering Lamps - Christ and His Church**. This study is based on the seven churches confronted by the Lord Jesus in the book of Revelation and will include DVD sessions led by Henry and Richard Blackaby. The Blackabys wrote this study to encourage the many churches in our nation today that are either plateaued or in decline. We will focus on what would happen if the risen Christ suddenly appeared at our church's door and took over day-to-day operations. If He did, would anything change? Would there be renewed hope? I think you know the answers. I want to encourage every member to plan to join us for this important study. A companion book to the study is available for \$9.00. If you would like a copy of the book, please call the office or let me know this Sunday, and I will order one for you.

Are you continuing to pray intensely and fervently about the Personnel Committee's request for us to seek the Lord's direction on whether or not we need to pursue the hiring of a staff member to focus on reaching millennials and young families with children? We will share what the Lord has said to us during worship on March 31.

Our goal for the Annie Armstrong Easter Offering for North American Missions is \$6,500 for the church year October 2018 - September 2019. As of last Sunday, we have received \$2,774.38. Please pray about the amount the Lord would have you give to send the hope of the gospel of Jesus Christ across North America.

My Daily Bible Reading this week took me to Numbers 4. The Lord spoke to Moses and Aaron, and gave them instructions about the various jobs of the Levites in the tabernacle. Every Levite had a different but necessary place of service. Every person was needed and every place was important. That's also the design the Lord used with the church. Every member, has a place of service and all are necessary and important.
